

OMEGA animal

COMMERCIAL LAUNCH OF THE FREESTALL FEEDER

25% DISCOUNT OFF

Of any 6 meters/9 slots feeding rail for a minimum order of 5 pannels.
(subject to stock availability!!)

SPECIAL PROMOTION

The OMEGA ANIMAL anti-swing feed barrier has been conceived having in mind the well being and security of both animal and humans. It is very quiet and facilitates veterinary care, crossing over (man clearance), and moreover the ease with which cattle may access and exit the feed whatever the circumstances may be.

Please feel free to visit www.omega-animal.com for more informations in the « nos produits » webpage.
